

CAMELIA OȘAN

Baia Mare, Romania (open to remote)

Email: osan.camelia2001@gmail.com | Phone: +40754292295 | LinkedIn: [Camelia Oșan](#) | GitHub: [camelia-osan](#)

Computer Science graduate with hands-on experience building responsive web interfaces using HTML, CSS, TypeScript and React. Experienced in creating reusable UI components, maintaining visual consistency and implementing responsive layouts using Flexbox and CSS Grid. Detail-oriented, analytical and passionate about creating clean and accessible UX.

For a comprehensive overview of my projects, please refer to my GitHub repositories.

WORK EXPERIENCE

Frontend Web Developer - Internship

Astrali, Baia Mare, Romania, 03.2025 - 06.2025 (Remote)

- Contributed to the development of a CRM web application, improving responsive layouts, visual consistency, usability and user interaction flows using React, TypeScript and CSS-based styling solutions.
- Collaborated in a team of 3 members, contributing to 30+ tasks focused on creating frontend features and improving existing workflows using CSS, TypeScript and React.
- Assisted in design research and contributed with insights for interface improvements aligned with user needs.
- Participated in manual testing and feature validation, ensuring accurate rendering and reliable functionality.
